REMARKS

1. Amendments to the Specification

To have a more definite and clearly defined invention, Applicants have amended the written specification. No new matter has been introduced by these amendments

2. Amendments to the Claims

Applicants have amended the pending claims and introduced new claims to more clearly define the invention. No new matter has been introduced by these amendments and none of the amendments were necessitated to overcome material information, prior art or otherwise.

Applicants respectfully request that the application proceed to examination. A notice of allowance is earnestly solicited.
